The Muralo Co. » muralo.com

Muralo Breathe Safe™ is a virtually odorless, high-performance water-based latex, formulated with no harmful solvents and based on a sustainable chemistry technology.

Breathe Safe meets or exceeds Green Seal and LEED green building requirements. Breathe Safe™ is available in Flat, Eggshell and Semi-Gloss finishes, and it can be tinted to any color.

Hyde® Tools
hydertools.com

The new Hyde 60-tool tower is designed to draw pros and DIYers. The compact tower can reduce a 4" x 6" wall area into a 2" x 2" aisle space, while its 5" height captures the eye. It comes with a pre-set assortment of top-selling products tailored by customer and channel, and can easily display 50 to 70 SKUs. The display spins for easy selection but is totally functional against a wall—and very efficient right near entry doors.
